

STOPPING INVASIVE FRUIT FLY – DO YOU KNOW THE RULES?

Make sure you check the rules before taking fruit and vegetables out of this area.

There is a controlled area in place with rules to prevent the spread of fruit flies.

Check them at **www.biosecurity.govt.nz/queensland-fruitfly** or scan the QR code.

Use the Biosecurity New Zealand bins to throw away any unwanted fruit and vegetables and garden waste. If in doubt, throw it out.

For more information and updates go to
